

AB 5/1
C1
Please add new claim 4 as follows:

4. (New) The biodegradable bag as claimed in claim 2 wherein said aliphatic polyester is a copolymer of which the major components are 1,4-butanediol, succinic acid, and adipic acid.

REMARKS

The specification has been amended to insert a cross-reference to the International Application.

Claim 3 has been amended to depend only from claim 1 (in order to avoid the multiple dependent claim fee), as a result of which new claim 4 has been added to the application.

Attached hereto is a marked-up version of the changes made to claim 3 by the current amendment. The attached page is captioned "Version with markings to show changes made."

Respectfully submitted,

Shigenori TERADA et al.
